

## Fun Facts: Best Friends Pet Care Resort

**A Tail-Wagging Welcome:** Beginning Sept. 1, 2010, Pluto welcomes dogs, cats, pot-bellied pigs and pocket pets such as hamsters and guinea pigs to the new **27,000-square-foot** Best Friends Pet Care Resort at Walt Disney World Resort.

**Lap of Luxury: Up to 270 dogs** of all breeds and sizes can curl up comfortably in standard and luxury indoor-outdoor suites. The truly pampered pooch may beg for an oversized luxury suite with plush raised bedding, TV and a private outdoor yard.

**Meowificent!** No “knead” to fear — **at least 30 cats** will be “purrfectly” content at the resort’s Kitty City pavilion with **two- and four-story cat condos**.

**Polly Wanna Cracker?** Cockatoos and other pet birds stay in their own special facility along with hamsters, guinea pigs, rabbits, ferrets and other pocket pets.

**Go, Dog, Go!** No bones about it, the resort’s **exclusive dog park** is the place to burn off canine calories. Inside a fenced walking trail, dogs will have a squirrel-chasing good time in the 3,300-square-foot play area covered in artificial turf. Another 4,500-square-foot area is dotted with shade trees for owners who want to sit and watch pets play. The park’s 1,300-square-foot splash-and-shake zone is a cool extra.

**Day Tripping or Sleeping Over?** Park-hopping guests can book their pets into the resort just for the day. Overnight stays make Fido feel right at home when the family settles in at a nearby Walt Disney World Resort hotel.

**Tales and Treats:** Routines make a pet feel right at home. If your pup is used to a bedtime story, a staff member will read a “tuck-in” tale. If kitty craves fish, order Tuna on a Ritz room service. The resort’s TV sets play favorites like “Milo and Otis” or “Homeward Bound” for media-savvy pets.

**Doggie Play Dates:** There’s plenty of room for canine cavorting at the resort’s **two 1,100-square-foot doggy-day-camp rooms** that open onto their own play yards.

**Extra, Extra!** It’s a pet’s world, after all, and that’s why pet parents can choose from among many a la carte activities for their best friends. **Amenities and upgrades** include: Ice Cream Treats, Puppy Cuddle Time, Bottled Water and Premium/Orthopedic Bedding for dogs. Feline guests can be pampered with private playtimes, activity toys in their suites, or Ice Cream Treats.

**Best in Show:** Practical pets know that extra cuddles are in store when they greet their families after a “go-home-fresh bath,” offered along with other services at the resort’s **grooming salon**.

**Two Paws Up:** Best Friends Pet Care Resort is located across from Disney’s Port Orleans Resort at 2510 Bonnet Creek Parkway in Lake Buena Vista, FL 32830. Guests can make reservations at [wdw.bestfriendspetcare.com](http://wdw.bestfriendspetcare.com) or by calling 877/4-WDW-PETS.
