

## Disney Vacation Connection Desktop Widget Serves Up Planning Information in a Fun and Creative Way for Disney-bound Guests

LAKE BUENA VISTA, Fla. – Planning that next magical Disney vacation? The Disney Vacation Connection desktop widget is a free application that can be downloaded to a PC or Mac computer to view news, videos, weather, park hours, events and vacation planning tips. Also included is a Disney vacation countdown clock that will tell guests the days, hours and minutes until their next Disney vacation.

Content on the app includes Walt Disney World Resort, Disneyland Resort, Disney Cruise Line, Adventures by Disney, Disney Vacation Club, Disney's Hilton Head Island Resort, Disney's Vero Beach Resort, and Aulani, a Disney Resort & Spa, Ko Olina, Hawai'i.

With the Disney Vacation Connection widget loaded on their desktop, Disney guests will be able to:

- Stay up-to-date on the latest news and special offers
- Plan their next magical Disney vacation
- · Count down to the vacation with the countdown clock
- Check Disney theme park hours
- Learn about upcoming special events
- Find out the weather forecast for the Disney vacation destination

The widget is a free download. Guests can learn more about the Disney Vacation Connection desktop widget, and download it, by visiting <a href="https://www.DisneyVacationConnection.com">www.DisneyVacationConnection.com</a>.
