

# Disney Parks Celebrate a Star-Spangled July Fourth – All Week Long!

## Fireworks, Patriotic Parades and More Anchor Independence Week

LAKE BUENA VISTA, FLA. -Walt Disney World Resort guests won't have to wait until the Fourth of July to celebrate America's birthday. They can choose *any* day of Independence Week July 1-7 in the parks to experience the flag-waving spirit of the holiday – all part of Limited Time Magic.

It's a red, white and blue extravaganza as Disney Parks honor America with a Fourth of July celebration like never before – and it lasts an entire week. A 14-minute fireworks spectacular rockets into the air above Cinderella Castle every night with "Disney's Celebrate America! A Fourth of July Concert in the Sky."

In this patriotic fireworks spectacular, dazzling comets and glittering bursts soar to a brand new musical score produced in a concert band style created to stir a sense of pride in being American, while at the same time, invite guests from around the world to feel part of the celebration.

***Celebrate America!*** pays homage to all Americans and all who love the best of America. The fireworks spectacular takes place at 9 p.m. on July 3 and 4, and 10 p.m. on July 1, 2, 5, 6 and 7.
