

Magic Kingdom *Fast Facts*

LAKE BUENA VISTA, Fla. — Following the success of Disneyland, which opened in 1955, entertainment pioneer Walt Disney (1901-66) set his sights on what he called his company's "most exciting and challenging assignment" — the creation of a vast vacation paradise known today as Walt Disney World Resort.

Walt's dream was realized when Magic Kingdom, the first of four theme parks at the sprawling Florida site, opened Oct. 1, 1971. Walt's older brother and lifelong business partner, Roy O. Disney, inaugurated the park with a heartfelt dedication that remains today on a bronze plaque in Main Street, U.S.A.:

*WALT DISNEY WORLD
is a tribute to the philosophy and life of
Walter Elias Disney*

... and to the talents, the dedication, and the loyalty of the entire Disney organization that made Walt Disney's dream come true. May Walt Disney World bring Joy and Inspiration and New Knowledge to all who come to this happy place ... a Magic Kingdom where the young at heart of all ages can laugh and play and learn — together.
