

Garden Rocks Concert Series Expands to Every Day of the Epcot International Flower & Garden Festival, March 6-June 3

LAKE BUENA VISTA, Fla. – Garden Rocks Concert Series is back – every single day of the 26th Epcot International Flower & Garden Festival!

For the first time since the popular spring extravaganza expanded to 90 days, Garden Rocks concerts will play seven days a week, three times daily, for a total of 270 concerts spanning multiple genres across four decades of chart-topping hits.

Twelve brand-new Garden Rocks acts include: A Flock of Seagulls, Ambrosia, Peabo Bryson, War, Eddie Palmieri, Colin Hay of Men at Work, TobyMac, Steven Curtis Chapman, John Michael Montgomery, Magic Giant, Jon Anderson of YES and Journey former lead vocalist Steve Auger. Other new-to-this-festival acts that have performed at other Walt Disney World events include Glass Tiger, Wang Chung, Air Supply and more.

Guests can dance in their seats each evening to classic tunes at the park's outdoor America Gardens Theatre overlooking the World Showcase Lagoon. An eclectic mix of Flower & Garden Festival fan favorites includes 1960s icons Herman's Hermits starring Peter Noone, '70s-'80s chart-toppers Rick Springfield, Dennis DeYoung and Don Felder, and '90s hit-makers Sister Hazel.

Performance times are 5:30, 6:45 and 8 p.m. and are included with Epcot admission. Guests can enjoy guaranteed concert seating by reserving a Garden Rocks Dining Package and enjoying breakfast, lunch or dinner at select Epcot restaurants.
